

PLAINFIELD POLICE DIVISION

Official Report

TO: Captain Edward G. Santiago
FROM: Sergeant Frederick Walz
DATE: 27 July 2009
SUBJECT: Information concerning Police / Public Safety Director

Captain Santiago,

On Wednesday, 22 July 2009, myself and Captain S. Soltys borrowed the blue Chevy Suburban assigned to the Narcotics Bureau to transport computer equipment to Pascack Data Services (our computer vendor) for them to work on. While traveling in this vehicle Capt Soltys and I located a three-page printed email on the center console from mrhellwig@hotmail.com titled "RE:hook-up". The document involved back and forth emails between a Jason Taylor (massageking1@hotmail.com) and Public Safety Director Martin Hellwig. It seems obvious that the Director was soliciting some type of prostitution services from Mr. Taylor via Craigslist.com as Director Hellwig described intimate parts of himself to Mr. Taylor and an appointment for a massage was arranged for 18 June 2009 at 1400 hrs for an \$80.00 "donation" plus tip.

In continuing, I spoke with our Police mechanic, Glenn Christiansen, who informed me that the blue Chevy Suburban had been used by Director Hellwig on 18 Jun 09 and, in fact, had broken down somewhere in North Jersey requiring that the vehicle be towed back to headquarters. The vehicle remained at our garage until it was repaired and put back in service on 10 July 2009.

In continuing, I attempted to locate a tow report for the vehicle on this date but was unable to locate one. I then responded to M&W Towing (the contract tow company for June 2009) but they had no recollection or paperwork regarding the tow. I was on vacation Friday, 24 July 2009.

In continuing, on Monday, 27 July 2009, I responded to Matthews Towing Company and spoke with the owner. Mathew told me that they had towed the vehicle on 18 Jun 09 from a Dunkin Donuts in Passaic, NJ and it was being operated by the Public Safety Director. He also had no paperwork on this tow and stated it wasn't necessary since he did not get paid for towing police vehicles anyway.

My initial plan was to submit this information to Lt. G. Turner, commander of our Internal Affairs Unit, but I was informed that he was on vacation this week. Since you are the senior Captain of the Police Division and my immediate supervisor is also away this week, I am forwarding this information and the printed email to you so that it can be investigated by the proper authority.

Respectfully submitted,

Frederick W. Walz
Sergeant
